We are your winning combination! 1-888-4PCR HOME

PCR Home Services offers a complete menu of services for today's homebuyer and home seller. We have assembled affiliations with local vendors that specialize in services buyers and sellers may need before, during and after their real estate transaction. PCR Home Services is committed to providing Professional, Credible and Reliable service every step of the way, giving you the service you have the right to expect.

PCR Mortgage Services

PCR Mortgage Services is a name you can trust, with professionals you can rely on. We offer a comprehensive selection of loan products to finance a home or new construction purchase or refinance an existing mortgage. Our experienced loan officers work with clients on a one-on-one basis to identify their goals, explain their options and give sound advice on the programs that best meet their needs. Our mission is your satisfaction.

PCR Inspection Services

A home inspection is an important step in the home buying process. Home inspectors conduct a thorough examination of your home to detect any potential systems or components requiring attention.

PCR Settlement Services

We are proud of our title service affiliates. They become your expert guides through the settlement process from beginning to end. Thousands of satisfied customers and clients have discovered a new level of quality settlement services in their local neighborhood.

PCR Insurance Services

We provide our real estate customers and clients with competitive pricing and a variety of coverage to meet all their insurance needs. Our services include policies for homeowners, property, renters, life, health and disability, auto and recreational vehicle insurance.

PCR Warranty Services

A HMS Home Warranty plan gives you the protection you need. With so much that can go wrong - and often does - a HMS Home Warranty plan gives you peace of mind. Until now, homeowners owning a well had no service plan to maintain a continuous, safe water supply, and had learned to live with the threat of a lost or interrupted water supply. A WelGard™ warranty plan provides innovative services to help maintain an adequate supply of safe water and protects homeowners from water disruptions and high repair and replacement costs.
